Dear Friends of Lake Mills,

We are excited to extend an invitation to the talented students of Lake Mills to participate in a special art competition as part of the upcoming Music in the Mills festival! As advocates for artistic expression and community engagement, we believe this event offers a fantastic opportunity for students from 4K up to Seniors in high school to showcase their creativity and talent.

Theme: Your Visual Representation of Music

The competition encourages students to explore the theme "Your Visual Representation of Music" through their artwork. Whether it's a painting, drawing, collage, or any other medium, we encourage participants to express their unique interpretation of music visually.

Winning artworks will be auctioned off during the Music in the Mills festival in August 2024, with proceeds supporting the local Rotary Club of Lake Mills. Not only will participants have the chance to see their creations appreciated by a wide audience, but they will also contribute to the vibrant cultural scene of our community.

Submission Details:

Artwork must be mailed by July 12th, 2024 -or- dropped off by July 17th, 2024. Submissions can be delivered in person to the Amy Winkelman & Associates American Family Office.

Electronic copies of templates for the 4-6 & 7-8 age brackets will be attached for your convenience. (Children aged 4-8 who choose to create their own artwork will still be judged with their age bracket.)

Please ensure that all submissions adhere to the provided rules.

We hope to see the creative talents of Lake Mills students represented at this exciting event. Thank you for your support in encouraging artistic expression and participation in our community.
